

FUNERALS, WAKES & CELEBRATIONS OF LIFE

Malvern Hills
Hotel & Restaurants 

www.malvernhillshotel.co.uk

Come together and remember your loved ones and let us take care of everything else.

The Malvern hills hotel and restaurant have many years' experience hosting funeral receptions.

We will endeavour to tailor the occasion to your individual needs. Our dedicated team will provide a personal, respectful, efficient and caring service to ensure your reception runs smoothly.

Who we are

We are an independently owned, family operated hotel, with experienced friendly and helpful staff.

We all work together as a team to provide guests with a enjoyable experience, whether they are staying in one of our 24 beautifully styled bedrooms, having a meal in our dining room or restaurant, or relaxing with a pint in our 18th century oak lounge bar.

Our aim is to overdeliver on guests' expectations and to make every guest's experience a memorable one, whether it's their 1st visit or their 30th. Our unique setting at the base of the British camp and the surrounding hills with their spectacular views, help make the hotel so popular with locals, as well as guests from further afield. We take pleasure in the number of regular returning guests.

We pride ourselves on the fact that we stock and use a wide variety of local produce, this is evident to see if you browse our suppliers list. Supporting local businesses is something we are very proud of and we host numerous local community and professional functions.

Reflections Dining Room

Our Reflections Dining room is perfect space to remember your loved ones.

A bright, spacious restaurant that can accommodate up to 45 people for a buffet or up to 50 people for a sit down meal.

The Hills Suite

For smaller groups, we would recommend our Hills Suite function room downstairs.

It is ideal for more intimate gatherings of up to 30 people for either a small buffet or sit down meal.

Funeral Package

£18.50 per head

Finger Buffet Menu

- A selection of sandwiches on white & granary bread (GF option available)
